“TEDDY”
FOREVER IN OUR HEARTS

Teddy lived his life to be with Bill and run the tunnels. He always had a smile on his face and a twinkle in his eye. It was always a joy to watch Bill try to catch Teddy at the end of a run. There would not have been a games trial if not for Teddy & Bill.

NOTICE TO EXHIBITORS—PLEASE READ

- Below is a brief summary of NADAC rules. Please refer to www.nadac.com for a full explanation of all NADAC rules and up to date information.
- Please note that NADAC trials should provide a safe and fun environment for both exhibitors and their dogs.
- Aggressive dogs will not be tolerated and will be excused from the trial.
- The show committee has the right to refuse any entry. Anyone not currently in good standing with NADAC will not be allowed to enter this trial.
- Exhibitors, through submission of entry, acknowledge that they are knowledgeable of NADAC rules and regulations, and agree to abide by all rules in effect at the time of this trial.
- No entry fee will be refunded if the trial cannot open or be completed by reasons of riots, civil disturbances, fire, acts of God, public emergency, an act of a public enemy, or any other cause beyond the control of the organizing committee.
- Checks not honored by the bank do not constitute a valid entry fee. There be a \$25.00 service charge for bank returned checks.
- **Dog must be registered and have a valid registration number before entries will be accepted. <http://nadac.com/afm/dogregfrm.asp>
- A copy of the current Exhibitors Handbook may be downloaded free from the NADAC web site: www.nadac.com

The safety of the dogs is our primary concern. By entering this trial, exhibitors declare that their dogs are familiar with and able to perform all obstacles safely and that they are knowledgeable of the NADAC rules and regulations including, but not limited to:

- All healthy, trained dogs at least 18 months of age, including purebred and non-purebred are eligible to compete in NADAC agility trials.
- Bitches in heat, lame, or blind dogs are ineligible for entry, as is any dog with a deformity that may cause a judge to not be able to reasonably assess the dog's ability to function and perform agility obstacles safely and in a manner that is in the best interest, health and welfare of the dog.
- Any dog that demonstrates aggression towards any person or any dog, whether inside the ring or outside the ring, **must** be excused from the agility trial.
- Any dog that the judge feels is not in enough control to perform all obstacles in a safe manner will be excused from the agility trial.
- All dogs must be on leash when not competing in the ring.
- Safety and well-being of the dog shall always be of foremost consideration in actions and conduct by handlers.

- You alone are responsible for the behavior of your dogs and children. If your dogs or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior, the Trial Committee will ask you to leave the show site.
- The sponsoring club will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result is accident or other cause. It is distinctly understood that every dog at this event is in the care and control of its owner or handler during the entire time the dog is on the show premises.

Non-Jumping Classes – Veteran Handler:

- Handlers aged 60 yrs or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a **Veteran handler** and receive 10% more standard course time. This division is for handlers only.
- The Disabled/Veteran Handler Division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through the agility course.
- When entering as a Disabled/Veteran Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, the dogs will be scored and placed with their Standard Division jump height. **IMPORTANT.** Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups.

The individual trial results submitted by the club are uploaded to the www.NADACForum.com within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the Forum by going to www.NADACForum.com and submitting your request. Your dogs points can be found in the Members Section. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels. Points earned at a higher level of a class, prior to the completion of the lower level title, will not be recorded by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

As of January-2014: Dogs must enter the Veterans Division in all jumping classes after their 9th birthday. After their 12th birthday, dogs must enter the Skilled Category, Veterans Division for jumping classes and Skilled Category for non-jumping classes.

Measuring:

Measurement forms may be obtained at <http://nadac.com/Application-for-Permanent-Height-Card.htm>

Dogs which require measuring:

Dogs in the Proficient Category, Novice, Open or Elite jumping 4", 8", 12" or 16"

Dogs which do not need to be measured:

- Dogs jumping 16" in the Veteran or Junior Handler Division
- Dogs jumping 20"
- Dogs in the Skilled Category
- Dogs with a permanent height card
- Dogs listed on the Height Exemption List

Jump Heights:

There are four Standard Division-Proficient jump heights: 8", 12", 16", 20".

There are four Standard Division-Skilled jump heights: 4", 8", 12", and 16".

There are four jump heights for the Veterans and Junior Handler divisions: 4", 8", 12", and 16". Please see the NADAC Rulebook for the full jump height table.

Jump Height Exemptions:

Dogs listed on the Jump Height Exemption list are not required to be measured

Dogs in the following list of breeds may jump 4" lower than they would normally jump as determined by their measurement. The "breed exemption" jump height becomes their accepted Standard division jump height. For example, if a Corgi were to measure into the 12" jump height group, they are allowed to enter the 8" Standard division jump height group. However, the breed exemption may NOT be used to enter a dog at the 4" height unless they are entered in the Veterans or JH divisions or the Skilled category.

Am. Staffordshire Terrier	Cavalier King Charles Spaniel	Petite Basset Griffon Vendeen
Australian Terrier	Clumber Spaniel	Pug
Basset Hound	Dachshund	Scottish Terrier
Bulldog	French Bulldog	Sealyham Terrier
Bull Terrier	Glen of Imaal Terrier	Staffordshire Bull Terrier
Cairn Terrier	Miniature Bull Terrier	Swedish Valhund
Cardigan Welsh Corgi	Pembroke Welsh Corgi	West Highland White Terrier

Mixed breed dogs displaying physical characteristics of any of the above listed dogs, and giant breed dogs may apply for a height exemption. Requests are considered on an individual basis. Two pictures of the dog standing, front and side, as well as a letter of request with verification of height/weight are required when applying for a jump height exemption. It is believed that, at all times, handlers will enter their dogs at the appropriate heights, using sound ethics and good sportsmanship. This height exception is for the health and well-being of the dog, not to give one dog a competitive edge over another dog. NADAC assumes that any handler who enters a dog at a lower height has done so to maintain the longevity and good health of their canine companion.

REFUNDS

- There shall be no refunds for entries withdrawn after the closing date. Bitches that have come into heat or any dog hurt before the trial may get a refund with verification from a vet (such as a letter).
- No refund is given if a dog or handler is dismissed from competition, regardless of the reason.
