Thanks in advance for your help.

NOTICE TO EXHIBITORS

We would like this event to be a pleasant experience for all in attendance. We ask your cooperation, please, in the following areas:

This trial will be held under AKC rules and regulations for agility trials. **Exhibitors are expected to be familiar with these rules and regulations.**

At the handler's option, dogs may run a course with or without a collar. The only collars allowed when running a course are flat buckle or rolled leather collars, but there shall be no attachments hanging or otherwise allowed on the collar. This shall not preclude painted or stitched designs or information on the collar. Dog's names and/or identifying information may appear on the collar.

Participants who leave dogs, equipment and personal belongings unattended, do so at their own risk. The show giving club(s) and the owner(s) of the site will not be responsible for dogs, equipment or personal belongings, nor for the loss of, damage to, or death of any dog, whether the result of accident or any other cause.

All dogs must be kept on leash, in crates or in vehicles at all times except when competing.

Participants will be responsible for clean conditions (**including picking up after the dogs in their care**) around crates, tents and parking spaces.

Dogs must be physically sound. Dogs that are blind shall not be eligible. No dog shall compete if it is taped or bandaged or in any way has anything attached to it for medical purposes.

Bitches in season shall not be eligible to participate, notify the trial secretary and the club will refund of entry fees only in this case.

Entry fee will not be refunded in the event that a dog is absent, disqualified, excused by the judge or veterinarian, or barred from competition by action of the Trial Committee.

No entry fees will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, extreme and/or dangerous weather conditions, an Act of God, public emergency, act of a public enemy, strikes or any other cause beyond the control of the club.

Dogs must be ready to compete. The judge need not wait for any dog that is not ready to compete when it is called by the gate steward. The judge will take a lunch break at a convenient time.

Participants shall be governed by any rules and regulations of civil authorities and/or location restrictions. Please obey all posted signs.

Parents or guardians are responsible for children who must be kept under supervision of an adult at all times.

Vehicles will be allowed to park in designated areas only. Vehicles parked in undesignated areas will be towed immediately at the owner's expense. NO vehicles may be parked overnight.

All rights to televise, videotape, advertise, photograph, promote or otherwise exploit these events are vested in the Club or in persons to whom assignments of such rights have been made in writing by the Club. All persons & animals on the show grounds at any time while the shows are in progress do, by attending these shows or participating therein, hereby grant to the Club the right to photograph, televise, videotape or otherwise use their likeness & voice in any manner without further release or consent.

Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

CLASS DESCRIPTIONS

A complete set of rules and current full class descriptions are available on the AKC website (www.akc.org) or by request from the American Kennel Club, 5580 Centerview Drive, Suite 200, Raleigh, NC 27606.

Dogs may be entered in any height division they are eligible for but may only enter each class offered once per day. If a dog is entered in different jump heights the owner must submit separate entry forms, one for each height.

HEIGHT DIVISIONS

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers. Regular Dogs may not be entered in this height if they are 22 inches and under.
24C"	n/a	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

The owner may choose to enter their dog in Preferred classes and Regular classes at the same trial. A dog may only be entered once in each class offered. They may not enter a class in both Preferred and Regular.

If a dog is entered in Preferred and Regular classes the owner must submit two separate entry forms, one for Regular classes and one for Preferred classes. After the close of entry for a trial a dog may not be moved between Regular and Preferred classes except as noted in Chapter 1, Section 21.

Entering “For Exhibition Only” (FEO)

FEO allows exhibitors to work with their dogs in a trial environment. FEO is only offered in the Time 2 Beat. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring. Toys must be non-audible and may not leave the handlers hand. Toys that roll freely may not be used.
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

Fix and Go On (FNG)

Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.
